HOLIDAY ANNOUNCEMENT

District Offices will be closed on Monday, October 9th, 2023, in observance of Columbus Day.

SHELTER COVE PLAYGROUP RETURNS!

First 5 Humboldt & Southern Humboldt Family Resource Center invite families and their 0–5-year-olds to get together and PLAY! The fun will resume on **Mondays** (beginning September 11, 2023) from **1pm to 3pm** downstairs in the Salmon Room at the Community Clubhouse. For more info call Brandy (707) 923-1147.

PUBLIC SAFETY POWER SHUTOFFS

Be prepared for the potential of **Public Safety Power Shutoffs**. **PSPS** are implemented to protect life and property during times of prolonged dry, windy, and wildfire prone (red flag warning) weather by de-energizing electrical lines to specific areas in Shelter Cove. The District will make every effort to contact customers affected in advance of implementing a PSPS. Please make sure we have your most updated contact information including cell numbers and email addresses. Please call the District office with your current local number or note it on your return payment stub.

Keep our roads (evacuation routes) clear and free from obstructions. Please relocate all vehicles, boats, and construction materials from Shelter Cove roadways and cul de sacs.

EMERGENCY SIREN NOTIFICATION SYSTEM & HUMBOLDT ALERT

Shelter Cove's emergency notification system is made up of six state-of-the-art sirens located

strategically around the community to awaken and notify residents of an oncoming tsunami or wildfire event.

If you hear a 3-minute steady tone - There might be a **tsunami** and you should head to higher ground immediately

If you hear a 3-minute fast Hi Low - There is an immediate **wildfire** threat to life or property, and you should evacuate to the Shelter Cove Community Center at 1555 Upper Pacific Drive (adjacent to the airport) where the Shelter Cove CERT team will set up an emergency shelter.

If you hear a voice prompt- The Fire Department is trying to notify the community. Please listen to the commands.

If you hear a low volume "growl" at 12noon- This is a daily diagnostic test, and no action is necessary.

It is important to remember that nothing is foolproof during an emergency, you and others in your family may not be able to hear the siren or you may be in a vehicle during the time it is set off. **If you feel threatened at any time by a wildfire, do not wait for the sirens to go off before moving to safety and calling 911.** Please make sure you have an **evacuation go bag ready** and you and your family know your primary and alternate evacuation routes to meet at the Community Clubhouse at 1555 Upper Pacific Drive.

Shelter Cove Fire encourages people to sign up for Humboldt Alert at:

<https://humboldt.gov/2014/Emergency-Notifications/alerts>

Humboldt ALERT allows the Office of Emergency Services to contact thousands of residents in minutes, so you can find out about an emergency right away using methods that you choose, such as email, phone, and text message.
