EMERGENCY 911 CALLS

Please don't be afraid to use the 911 system if you need emergency help from our fire department. It is the fastest way to get the relevant emergency services to you. When calling 911 from your cell phone, please remember to indicate your location in Humboldt County, as we are not the only "Shelter Cove" in California. Please do not call firefighters at home!

BE READY FOR WINTER DRIVING

Be prepared for winter driving conditions! Carry food, water, and blankets in your vehicle. If there are road conditions/culverts in need of repair in your neighborhood, please direct your calls to Humboldt County Roads 707-445-7421 so the repair request can be logged. Early reporting can stop damage from becoming more serious.

FIRE EXTINGUISHER RECHARGE REMINDER

The community may bring their fire extinguishers to the Fire House on the morning of Wednesday, December 13th, for recharging by Eureka-Humboldt Fire Extinguisher, phone 822-2517. The cost of this service will depend on the unit size.

CEASE THE GREASE

With Holidays gatherings and shared meals, please remember that pouring fats, oils, and grease (FOG) down kitchen drains accumulates inside sewer pipes. As the "FOG" builds up it restricts the flow in the pipe and can cause untreated wastewater to back up into homes and businesses! This results in high costs for cleanup and restoration of the sewer system and private septic systems. It's NO fun! Don't dump FOG down your sink!

UTILITY EMERGENCY NUMBER

If you are experiencing an after-hours utility emergency, please call the District's on-call phone at 707 223-1225.
