APRIL 2024 NEWSLETTER

RID WELCOMES A NEW EMPLOYEE

The Resort Improvement District would like to extend a warm welcome to our newest team member, Zoe Wilcox. Zoe is taking on the position of Administrative Superintendent, as our long-time employee, Sue Sack prepares for her well-earned retirement. Zoe comes to us with 6 years' experience working as an analyst for CalFire and has been a part of the Shelter Cove community for 8 years.

DISTRICT BOARD MEETING

Each Board meeting is held on the third Thursday of the month at the RID Fire Hall. April's Board meeting will be held on Thursday, April 18th, 2024, starting at 9 am. If you would like to join the meeting remotely, go to the district website: sheltercove-ca.gov and find the meeting link under the BOARD button. In case you are unable to attend, we will include a recording of each board meeting going forward. This can also be found on the district website. Click the "Board" button, the "minutes, reports and forms" drop down, then hit the "Archived Recordings and Approved Minutes" tab!

NEW TRAIL SIGNS

Remember that wild and furry creatures share our space here on the Lost Coast and let's all show respect for the hard work put into maintaining our lovely hiking trails.

APRIL 2024 NEWSLETTER

MARINE MAMMAL MONITORING

Do you enjoy walking Shelter Cove's beaches? Are you interested in contributing to the conservation of local marine mammals? Then you're invited to join Friends of the Lost Coast, BLM and Dr. Dawn Goley, Director of Cal Poly Humboldt's Stranded Marine Mammal Monitoring Program, for a **lecture** by Dr. Goley on Friday, April 26th from 5:30 to 6:30pm and **volunteer training** on Saturday, April 27th, from 9:30am to 1:30pm at the Shelter Cove Community Clubhouse. The training will include a field outing. Local residents are being sought to join the Shelter Cove stranding team. Travel stipends for beach monitors are available. For more information or to RSVP for the free training, email justin@lostcoast.org.

TREE MAINTENANCE

The District asks that our customers please do not plant trees or other vegetation in public utility easements. Trimming and maintaining existing trees and keeping them away from power lines is the responsibility of the property owner. However, if Resort Improvement District staff make the determination that a tree is a danger to existing utility infrastructure or becomes a safety issue, it can be removed at any time by District staff.
